# Continuous Centrifugal Machine

## SK-1200

Our SK-1200 Continuous Centrifugal Machines have earned a worth mentioning position among the market for their more productivity than SK-1100. Lab results proved that by consuming 17% additional electric energy this machine produces 27% more stuff than SK-1100 on hourly basis.

The sale of the machine is steeply upward and we are enjoying the positive feed backs regarding the cited above machine.
